PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

I visited Unity Farms packing house this week. Crawford Mock and Graham Mole keep the wheels of progress rolling at Unity, but, there are times when hurricanes or freezes stop the wheels. It is at such times as this that Messrs. Mock and Mole engage in a little something quite different from the vegetable deal. For instance, the first thing I saw when I walked up on the platform was an old hen and 32 chickens—it was explained that the hen didn't hatch all of 'em. Then, too, I heard a peculiar noise coming from a field box—sounded a lot like the hiss or rattle of a rattle-snake. After I summoned enough courage to take a peek I saw two monkey-faced owls. A couple more pets, it was explained by the Unity folks.

I nearly forgot to say that Unity was selling a few hampers of tiny, tender blacks for R. J. Simonson at a handsome price. I don't know whether R. J. knows it or not, but some of those saintly, tender blacks were delectable when cooked with a hunk of white bacon.

Halloween carnivals were the order of the day last week in all communities around the Lake. PTA groups made neat sums here and there and I am listing the amounts realized by the various Glades schools:

Lake Harbor	\$ 180.00
Canal Point	\$ 227.00
South Bay	\$ 410.00
Pahokee	\$ 593.00
Belle Glade	\$1,100.00

All of the carnivals were held on Tuesday night, Oct. 31, with the exception of Lake Harbor where it was staged on Saturday night before Halloween.

Now that Bacom Point Road finally has the new surface on it and there is no more marl hauling through the streets of Pahokee, I would like to suggest to the council and fire department that they wash the streets. I am quite sure that merchants and business men would wholeheartedly appreciate the washing gesture on the part of those responsible for such an act.

If you felt sorta unnecessary when you walked behind the voting machine curtain and wanted to write-in a vote Tuesday, think nothing of it. A voter of many years in Pahokee desired to cast a vote for a write-in candidate. He voted—or so he thought—and walked out from behind the curtain with a satisfied smile on his face. The next voter, however, noticed that the aforementioned voter had written the name of his favorite candidate on the little metal tab which covers the spot where the write-in name should have been placed.

Women who have trouble with grease on the wall behind the stove can avoid this difficulty by painting with a coat of colorless shellac. A wet rag will then remove grease-spots at any time.

Work Progress On New Building By Dr. Armstrong

Work is well under way in Pahokee on a new building on Bacom Point road, being erected by Dr. L. W. Armstrong. The building is located between the new Wroten building and the Four Way Service Station.

The building is of concrete construction and will be two stories, Dr. Armstrong said. It is 45x35.

The Western Union office will be moved from its present location into the south room of the new building and Batchelor's Barber Shop will occupy the center room of the three. The third office room on the north side of the building will be used by a group of accountants, Dr. Armstrong said.

The upstairs will be finished for office space, it was pointed out by the builder. He said that as soon as the old building, now occupied by the Western Union and other offices, is vacated it is highly probable that he will build a new building in its place.

188 Members Make Record In 1950 For Canal Point PTA

The Canal Point Parent-Teacher Association now has a membership of 188, according to a report given by Mrs. L. V. McClelland, membership chairman, at the November meeting of PTA held in the school auditorium Monday night, with the president, Mrs. Pope Sears, presiding. This membership exceeds the number of pupils enrolled in the Canal Point School and is an outstanding achievement for a community of this size.

Mrs. R. T. Smith reported that PTA netted \$227 from the Halloween carnival and J. W. Repper, finance chairman, reported his committee was successful in raising sufficient funds for the purchase of a new drinking water fountain for the school.

Floyd Erickson, program chairman, introduced County Commissioner Paul Rardin who explained how the County Government operates.

Mr. and Mrs. T. S. Kirk of Orlando were business visitors in this area the past week.

Will Dedicate New Belle Glade Post Office Saturday

Belle Glade's new \$30,000 post office will be dedicated Nov. 11 as an Armistice Day feature, and the principal address will be given by Joe H. Adams, national vice commander of the American Legion, it was announced by Legion officials.

The new post office building was erected by the Belle Glade Legion Post. Located in the same block as the Legion's \$35,000 home, the building is of fireproofing construction, has terrazzo lobby floors, a private office for the postmaster, and vaults and working space for the recently inaugurated free delivery system.

The front of the building is faced with Florida stone and has a plaque on the cornerstone dedicating the building to the memory of American veterans of the two world wars.

Following the dedication program a barbecued chicken dinner will be served. The program will start at 10:30 a. m. Taking part will be the local National Guard unit, Boy Scouts, Scouts and the High school band.

Federal Hiway 441 Designated Down East Side Of Lake

Road signs were erected the past week in this area designating State Road 15 as U. S. Highway 441 which is being extended south as a direct route from Chicago to Miami.

This new federal highway extension starts at Holopaw on Road 15 running south through Okeechobee, Canal Point and Pahokee, turning east at Belle Glade on State Road 80, then south again on the Rangeline State Road 7 into Miami. It has an alternate routing from Canal Point to Twenty-mile Ben via Road 716. North from Holopaw 441 travels through Orlando and Ocala to High Springs where it joins U. S. 41 in a direct route to Chicago via Atlanta and Nashville.

Local officials, including Rep. B. Elliott and County Commissioner Paul Rardin, have been working for some time to get Lake Okeechobee East Shore towns included in the federal highway system but their efforts in the past have been thwarted by the towering pine trees which bordered Road 15 in this area and became serious traffic hazards during the hurricane season.

After work was started last spring topping all of these trees to a 15-foot level, a delegation from Pahokee and Belle Glade attended a meeting of the State Road Board at Panama City in June, requesting the board to recommend that State Road 15 be included in the U. S. highway system and the board complied.

Russell O. Morrow Wins State Senate Seat Over Com. Chairman Donnell

Keen Attends Meet State Lions Officials

Lions District Deputy Governor M. I. Keen and Mrs. Keen attended a cabinet meeting of State officials of Lions Clubs held at George Washington Hotel in West Palm Beach Saturday evening. Emmet Roberts of Belle Glade, governor of District 35-S, and other officers of the 35-S were hosts.

Fifty Royal Palms Are Set In Pahokee City Park By Club

Fifty royal palms were planted in city park in Pahokee on Bacom Point Road during the past week by the Pahokee-Canal Point Garden Club. The work was done under the direction of civic committee of the entire club. H. J. Anderson of Bacom Point Road donated the fifty royals.

V. C. Denton has donated 50 rooted hibiscus plants and these will be set between the royal palms, it was pointed out. Mrs. Harry McIntosh and Mr. Denton have also donated crotches to be used for beautification of the park. They will be planted in the east corner of the park to form a crotch garden which will provide a rich splash of color for the park 12 months of the year.

Bill McClelland donated a load of much used in setting out the palms.

Members of the club are anxious that all folks who were in any way responsible for help in the movement to date, be given public thanks for their efforts.

Dr. & Mrs. Gordon Schuettler Lease The Dixie Hotel

Dr. and Mrs. Gordon H. Schuettler and family moved this week from the Osteen apartment on Barfield Highway into the Dixie Hotel in Pahokee which they have leased from Mrs. Gene Butler and is now under the management of Mrs. Schuettler. Dr. Schuettler, a chiropractic physician, is remodeling the space on the first floor of the Dixie Hotel into a modern suite of office and expects to move his office equipment from the Pahokee Hotel building where he is now located into his new office in the Dixie building on Nov. 15.

Since coming to Pahokee a year and a half ago he has added much new equipment to improve his services, including an X-ray machine, diathermy and in the near future expects to have facilities for complete colonic irrigations.

History was made in Palm Beach County Tuesday — election day. Voters went to the polls and repudiated the decision of the State Democratic Committee made a week ago Monday—naming Judge E. B. Donnell as state senator from Palm Beach County. In a hard fought but short campaign Former Representative Russell O. Morrow captured the state senate seat by the write-in route.

By polling 5,413 votes, Mr. Morrow sent down to defeat the Democratic nominee, E. B. Donnell; the Republican nominee, Newman T. Miller, and the GOP write-in candidate, Mrs. Evelyn Carter Tew. The unofficial vote:

Morrow, 5,413.
Donnell, 4,410.
Miller, 4,179.
Tew, 690.

Palm Beach County joined the State in giving Rep. George Smathers a sweeping victory over his Republican opponent, John Booth, for the United States Senate seat of Claude Pepper.

The county vote:
Smathers, 10,774.
Booth, 4,301.

Likewise, the county continued the Democratic sweep by favoring veteran Jerry Carter over GOP Clifton D. Scalf for the Railroad and Public Utilities Commission.

The county vote:
Carter, 7,783.
Scalf, 3,005.

Russell O. Morrow set a precedent in Palm Beach County Tuesday (continued on page 8)

Ixora Park Takes On Activity; Group Makes Beauty Plan

IXORA PARK in Pahokee is fast becoming a physical reality. On Wednesday of this week a dozen women, members of the Ixora Circle of the Garden Club, were busy planting grass in the recently worked park along the highway just south of the old hospital building.

So impressed was the owner of Crews Super Market in Pahokee that he walked over and gave the garden group \$60 in cash to help carry on the project. While they were busy planting grass, he also sent over a case of Iced Coca Colas. It isn't necessary to say that the owner of Crews Super Market has a host of friends among the garden club workers.

Mrs. Leo Maxwell is president of the Ixora Circle.

County Commissioner Paul Rardin was asked by the group to contact proper State Road Department officials and see if they will assist in widening the road shoulder alongside the park so that parking arrangements can be worked out. Mr. Rardin said that the proper officials would be contacted within the next few days.

News Notes From State Capital

TALLAHASSEE—Justice B. K. Roberts of the Supreme Court of Florida produced a vigorous and clear-cut statement on the freedom of the press in the opinion adopted by the court this week in the \$100,000 libel suit of Julian E. Ross of Fort Lauderdale against R. H. Gore and the Fort Lauderdale News. Justice Roberts held that the present state law which allows a newspaper to purge itself of the threat of general damages by printing a retraction is not an abuse of power. He continued: "Were the statute to be made more stringent either by judicial interpretation or legislative enactment, the press could become so inhibited that its great and necessary function of policing our society through reporting its events and by analytical criticism would be seriously impaired." Ross had contended that he did not have to give notice and thus allow the newspaper to retract from an honest mistake of fact before bringing suit. The court held he did.

TALLAHASSEE—"The day I've been talking about finally has arrived," Comptroller C. M. Gay told his cabinet colleagues as he reported that the state treasury is empty, and state bills will go unpaid. Withdrawals for state school and welfare will more than exhaust the \$5,281,000 which he said was

in the general revenue fund. He said the state will be fortunate if it can get through January and still meet the state payroll, pay for schools and distribute old age and other relief.

TALLAHASSEE—Attorney General Richard W. Ervin this week gave his official opinions on the following general subjects:

LOTTERY—Free will offering given by chance to certain charity is not a lottery or gambling.

CONTRACT—Road department as matter of policy should not contract with abstract company for title service when it is owned by employee.

RECORDS—Merit system records, except private character reports, etc. are public records and open to inspection.

INSURANCE—State agencies are self insurers of workmen's compensation unless they elect to get benefits under compensation act.

BUYING—County cannot split large clothing order into small invoices to avoid law requiring advertising for bids on purchase more than \$300.00.

NURSES—State examining board for nurses may hold examinations any place in state.

VACANCY—School board member does not necessarily vacate office by moving his residence out of

district, if he intends to return.

TALLAHASSEE—Creation of an Overseas Parkway along 103 miles of the water-lined highway to Key West is under consideration by the state. The Florida Board of Parks and Historic Memorials requested trustees of the Internal Improvement fund, which holds title to submerged land along 34 miles of bridges and viaducts and 14 miles more of uplands, to dedicate this land to a public park. The Overseas Road and Toll Bridge District and Monroe county, holding the rest of the public lands there, will be asked to join. The parkway would frame the highway which leads from the mainland to Key West over the Florida Keys, one of the scenic wonders of the world.

TALLAHASSEE—Alex D. Littlefield of Volusia County joined four other former Florida sheriffs in suspension when Governor Warren received a report from Attorney General Richard Ervin that there was evidence Littlefield had neglected his duty to enforce anti-gambling laws. The governor also suspended W. M. Slaughter as Volusia county constable on the same ground. Governor Warren had warned that after September 6, any peace officer who fails to do his duty will be removed without a hearing. The question of whether it is a permanent removal from office will then be up to the 1961 senate.

TALLAHASSEE—Southeastern Greyhound Lines were given authority this week to begin merging with The Greyhound Corporation, which operates Florida Greyhound Lines over peninsula Florida, and Teche Greyhound lines entering the state from the west. Southeastern runs passenger buses between Jacksonville and Pensacola and routes all along the northern part of the state. The Florida Railroad and Public Utilities Com-

mission approved the merger after extensive public hearings.

Social Security Office Busy Place

The local Social Security Office is a very busy place these days, with a big boost in activity due to the recent widespread changes in the Old-Age and Survivors Insurance system. Nevertheless, R. C. Gehrken, Jr., Manager, today issued a special invitation to people in several groups to get in touch with his office promptly, if they have not already done so since the new law went into effect. He gave the following list:

1. People age 65 or over who have worked as much as a year and a half on social security-covered jobs. Those in this group who are age 75 or over can now get monthly benefits even though still regularly employed.

2. Mothers, or other persons in charge of minor children of deceased World War II veterans. Also dependent parents of deceased World War II veterans.

3. Wives under age 65, in families where the husband and one or more minor children are receiving benefits. Under the new law, the wife in these cases can also qualify for payments, even though she is under age 65.

4. Fathers, or other persons caring for children of deceased women workers. Children formerly could not get monthly benefits from their mother's social security

account if their father was a member of the same household at the time of her death. Now in many cases, those children can be paid."

"There are hundreds of people in this vicinity," Mr. Gehrken said, "who are in one of these categories and who can qualify for benefits upon making application. They can get all necessary blanks and information by getting in touch with our office at 501 North Olive Avenue, West Palm Beach, Florida."

Pahokee Lions In Regular Weekly Meet

The Pahokee Lions Club will make its annual pickup of second hand toys on Saturday morning, according to an announcement made by Duncan Padgett, chairman of the boys and girls committee, at the Tuesday luncheon meeting of the club. The toys will be sent to the Salvation Army in West Palm Beach where they will be repaired and repainted for distribution to underprivileged children at Christmas time. Any persons having toys to contribute are asked to contact Mr. Padgett.

Perry Duke, program chairman, introduced John T. Pickett who gave a talk on "World Federation." Belle Glade Lions Bill Young and Frank Hobson were visitors. Sidney Caruthers, high school senior, was the guest of George Rozelle, student member. President T. E. Baldwin presided.

Methodist Women, Pahokee, Celebrate Tenth Anniversary Founding WSCS

The Pahokee First Methodist Woman's Society of Christian Service celebrated the tenth anniversary of the founding of WSCS at a meeting in the church Monday afternoon. Members of the Okeechobee WSCS were guests of honor and several members of the Canal Point WSCS were also present as guests.

The Okeechobee group, headed by its president, Mrs. E. L. Hunt, brought a birthday cake and examined the records of the Pahokee WSCS to find that all goals for the past year were reached and consequently the Pahokee WSCS was entitled to light all ten of the candles on the birthday cake.

Taking part in the candlelighting ceremony were Mrs. Ruth V. Meredith, WSCS president, and other officials as follows: Mrs. M. P. Holman, Mrs. D. W. Cunningham, Mrs. Arch Blakey, Mrs. R. B. Simonson, Mrs. Clyde A. Canipe, Mrs. R. J. Schroder, Mrs. John A. Dulany, Mrs. I. J. Frausere, Jr., Mrs. M. I. Keen and Mrs. Jack Phillips.

At the business session the group voted to make a Christmas contribution to The Wesley House, to accept the resignation of Mrs. L. M. Lair as youth work secretary and named Mrs. L. J. Fraser to replace her, to support the church in raising funds for the building of a Methodist auditorium at Florida Southern College and to purchase a tablecloth for exclusive use by the WSCS.

"Thanksgiving" was the topic for the worship service which was under the direction of Mrs. Dulany. Mrs. Canipe introduced her mother, Mrs. E. B. Donnell of West Palm Beach, who related some of her experiences during a trip to England in 1948. Mrs. G. M. Gledhill of Belle Glade, first president of the Pahokee WSCS, was a guest. The worship center was lighted by white tapers in graduated candleholders and by an illuminated cross, with an attractive arrangement of fruits and silver candleholders on the table and potted palms in the background.

At the conclusion of the meeting a birthday party was held in the recreation room of the church. The table, covered with a lace cloth, was lighted by white tapers in crystal holders and laid with silver tea and coffee service. A yellow and green color motif was used in arrangements of fall flowers for table decorations.

General arrangements for the party were under the direction of Mrs. H. J. Anderson, assisted by Mrs. A. Beverly. Mrs. Meredith and Mrs. Dulany poured the tea and coffee. Mrs. John T. Pickett and Mrs. Max Beverly were in charge of decorations.

Gov. Warren & Mayor Burns Of Jax Are Lauded For Efforts

JACKSONVILLE—Governor Warren and Mayor Haydon Burns of Jacksonville were termed warriers on gambling and racketeering and chief leaders against state sectionalism by James M. Owens, Mayor of Palm Beach and Tax Assessor of Palm Beach County.

Owens credited the two officials as leaders of the fight to curb these evils. Speaking at the opening session of the Florida Tax Assessor's here, Owens said, "There is less gambling and racketeering in the state now than at any time in its history. Mayor Burns began the fight in Jacksonville and Governor Warren has carried it out in the state."

Both Honorable James A. Farley and Ambassador Luis Machado will speak at our 34th annual meeting at Tampa, Mr. Farley at the banquet on Tuesday evening, November 21, and Ambassador Machado at the luncheon on the same day, said Walter L. Hays of the Florida State Chamber of Commerce. Convention dates are November 19, 20 and 21.

Revised Rate Is Offered By Railroads

ORLANDO—Alarmed over the loss of transportation of motor truck lines, railroads have put in a revised rate schedule that it is estimated will save citizen shippers two and one-half million dollars during the coming shipping season. A revised rate schedule, effective at once, was announced by Gordon Stedman, secretary-manager of the Growers and Shippers League of Florida, after negotiations of several months with officials of the Seaboard Air Line Railroad, Atlantic Coast Line Railroad and Florida East Coast Railroad.

Cinematic Chatter

By Malcolm Millar

It is interesting to note that a certain Hollywood commentator has remarked that if Sophie Tucker would do the recording that Shelly Winters would be an excellent actress to do "The Sophie Tucker Story." I have seen Shelly in several pictures but I, personally, cannot imagine her doing the immortal Sophie. I believe it would be as hard to find a suitable actress to portray this lovable character as it would be to produce another Marie Dressler. I remember seeing Sophie many times when I was a boy and "caught" every Orpheum Theatre vaudeville change in my home town of Seattle. Miss Tucker was always one of the favorite stars that came our way and we had her once every year. She introduced the song hit "The Grissley Bear." At every performance she stopped the show cold when she sang this number, and each year when she played Seattle someone would start yelling for "The Grissley Bear." Sophie always obliged with it. Like the late Al Jolson, Sophie was one of the most charitable women on the American stage. She gave innumerable free performances at hospitals, special charitable benefits, and of course the Variety shows. Loved and respected by all who know her I believe it would be a great tribute to this fine example of real trouper if they did a story of her life while she is still here to enjoy it. I would very much like to see them do a story on the greatest living motion picture director Cecil B. deMille. See you at the movies—Mal.

Republicans Make Clean Sweep Of All Jobs In Pinellas

ST. PETERSBURG—In an amazing upset, Republicans almost made a clean sweep last night of the Pinellas County races against Democratic opponents.

That included ousting three Democratic legislative candidates for the House, among them Rep. Archie Clement, one of Gov. Fuller Warren's strongest lawmaking leaders.

On the basis of returns from 83 of 86 precincts and votes from these can make little difference—only the Democratic candidate for tax collector was ahead of his GOP opponent.

In the legislative races, Clement trailed B. E. Shaffer by a vote of 15,825 to 12,749.

William C. Cramer, young Republican Harvard law school graduate who headed the GOP campaign, held a comfortable lead over John C. Rowe. Cramer had 16,864; Rowe 14,005.

Donald McLaren tallied 15,919 votes to 13,994 for his Democratic opponent, Maurice Schuh, who was running for the post vacated by his death of his brother, Charles Schuh, Jr.

The Republicans ever swept out of office three long-time members of the County Commission, won all races in the Board of Public Instruction and the County Utility Board.

John P. Booth also carried Pinellas in his race against Rep. George Smathers for the Senate. Booth had 17,117 votes to Smathers 16,585.

Clifton D. Scaif paced Jerry W. Carter in the State Railroad and Public Utilities Commission with 15,852 votes to 13,917.

The Republicans waged an intensive campaign. They attacked the Democrats for inefficiency and accused them of fumbling tactics.

Coast Line To Give Trip To Florida Fair To Member of FFA

WILMINGTON, N. C.—Atlantic Coast Line Railroad is offering a free trip to the leading Future Farmer of America in its territory, and one to the top Future Home-maker of America living on the line's route from Richmond, Va., to Everglades City, Fla., according to an announcement by the road's agricultural agent, V. W. Lewis here. Goal will be Florida State Fair, at Tampa, and dates are Feb. 2-3, so chosen as to coincide with the state's "special" agricultural days there.

Judges of the contest will be vocational agriculture instructors all along the ACL path, and awards will be based on individual accomplishments for the past year in an agricultural way.

day when he was elected as State Senator for the 35th Senatorial District to fill the unexpired term of the late Sen. John R. Beacham. Mr. Morrow, political observers reported, is the first successful candidate to defeat by write-in ballot the regularly nominated party candidates in a county-wide election.

He was Sen.-elect George Smathers' campaign manager in Palm Beach County in the Democratic primary race, when Smathers unseated Sen. Pepper.

Sen.-elect Morrow will serve out the late Sen. Beacham's term, which continues for the next two years. Sen. Beacham died in his sleep Oct. 21.

Bank Deposits Up 26 Pct. In Past Year

JACKSONVILLE—Bank debits to individual accounts in six Florida cities were 26 per cent greater than in September last year. T. A. Lanford, manager of the Jacksonville branch of the Federal Reserve bank, said this week.

The reporting Florida cities however, share the increase over September last year, the increases ranging from 19 per cent at Orlando and Pensacola, to 23 per cent at Jacksonville and Miami, 27 per cent at Tampa, and 37 per cent at St. Petersburg.

For the greater Miami area the increase over September last year was 29 per cent.

In the Sixth District as a whole, which includes in addition to Florida the whole or part of five debits were off fractionally from August to September but were 24 per cent greater than in September 1949.

TALLAHASSEE—The Supreme Court of Florida has ruled that cities may ban sound trucks on their streets when used for advertising purposes. The decision came from a Miami case involving one of the candidates for the legislature last spring.

Through the efforts of the Belle Glade Chamber of Commerce, the Railway Express Agency has started five day a week service as of October 16th, with 6 day service to start as of November 1st.

Over 1,000 copies of the attractive Belle Glade brochure have been sent to 60 Florida Chambers of Commerce to be placed in their literature racks.

The U. S. Corps of engineers, upon request, has made possible a recreational area on Lake Okeechobee at Belle Glade by moving the existing fence on the dike between hurricane gate 4, and the fence north of Torrey Island. This will enable tourists to see Lake Okeechobee right at Belle Glade.

In case you haven't noticed, Ed Lively and Carl Cone sanded and varnished the office floor, and it's beautiful! In addition, the outside of the building is to be redone with slate shingles generously contributed by Billy Weeks of the Glades Appliance Corporation. The street commissioners, God bless 'em, have spearheaded the laying of a sidewalk starting some 50 feet east of the building, curving to the very dogstap and beyond to Main Street.

In addition, the building will be further beautified by having the area on the east side between the side walk and the canal filled with good old black muck and landscaped. This will be a far cry from a former unattractive parking lot for trucks to an attractive garden spot.

Mr. and Mrs. Gene Butler moved this week from the Dixie Hotel into the Snyder residence on Bacon Point Road.

Rev. F. B. Hooks of Savannah was a guest of Mr. and Mrs. Delmar Hooks in Canal Point last week.

Mrs. Paul Rardin is at her home in Canal Point after spending several weeks with her parents, Dr. and Mrs. W. O. Strickland in Glennville, Ga.

Mr. and Mrs. Rupert Mock and Mr. and Mrs. Leon Spooner are home from a splendid trip into western states where they visited many spots of interest. San Diego, San Francisco and Los Angeles were among the California cities they visited. They visited Las Vegas, Nevada, and Mesra. Mock and Spooner shot pheasants in Lincoln, Nebraska. The group spent thirty days on their trip and report an excellent time.

Mrs. Ruth Wood has moved from the Levins residence on Bacon Point into the W. P. Pope apartment in Canal Point.

Mr. and Mrs. Imman W. Weeks visited her mother, Mrs. R. A. Mole, in Lulu, Fla., over the weekend.

Mrs. Walter G. Hull, who has been ill at her home in Pahokee, entered a West Palm Beach hospital this week for observation and treatment.

Miss Oma Humphries of Miami visited her parents and other relatives in Pahokee Sunday.

Mr. and Mrs. G. W. Byrd, Sr., visited their son-in-law and daughter, Mr. and Mrs. Kenneth Mock, in Lake Worth over the weekend.

Mrs. A. F. Rogers has returned to her home in Fort Pierce after a visit of several days with her son and daughter-in-law, Mr. and Mrs. John P. Rogers, in Pahokee.

Mr. and Mrs. J. D. Rogers had as guests over the weekend Mr. and Mrs. A. F. Rogers and daughter, Beverly, of Miami.

The production of tin cans for food and other products in the United States increased by more than one and one-half billion units, or about 14 per cent, during the first half of this year compared with the comparable period of 1949, the American Can Company reports.

Blue Devils Honor Mothers At Game With Lake Placid

The Pahokee Blue Devils had things much their own way in rolling over the game but outclassed Lake Placid Green Dragons, 58 to 0, on Lair Field Friday night.

The Pahokee eleven made use of intercepted passes, blocked punts, fumbles and other Lake Placid mistakes to score almost at will and although the Dragons reached the Pahokee 22 in the second half, Coach Jim Maynor's men were not forced to kick out of danger at any time during the contest.

In running up 21 points in the first quarter, 12 in the second, 19 in the third and 6 in the fourth, touchdowns were made by Bobby Schroder (2), Rusty Million (2), Carney Wilder, Jack Thomas, Melvin Tillis, Bill Hatton and Billy Turbeville. Million connected with long passes from Wilder at the end zone for both of his TDs. Placement kicks for the extra point were successfully made by Charles Dickson (2), Benny Sims and Alfred Meeks. Meeks was outstanding in carrying the ball, showing marked ability in following interference and finding holes in the Dragon's forward wall.

At the halftime, tribute was paid to the mothers of the Blue Devil players who were escorted to the field by their sons and introduced to the spectators by Melvin Pugh, over the loudspeaker. As they stood facing the stands the Pahokee High School Band played "Wonderful Mother." It was a fitting tribute to the women who sit in the stands and chew their nails in anxiety even when their boys lead by 58 points.

James A. Farley To Speak To State C of C

TAMPA—James A. Farley will speak at the Florida Chamber of Commerce convention to be held in Tampa, November 21, it was announced by Walter L. Hays, state president.

Hays said Farley talked with him on phone shortly after he arrived in New York from Europe. The invitation to speak caught up with him in Spain, Farley told Hays, and he has accepted.

Farley will speak at the annual banquet at the Tampa Terrace Hotel. He is former National Democratic Chairman and served as Postmaster General for seven years in the Roosevelt Cabinet.

Funeral Services Held For Infant Richards

Funeral services for the infant son of Mr. and Mrs. Kenneth M. Richards of Pahokee were held at the chapel of Berry's Funeral Home Sunday afternoon with Rev. Hoke H. Shirley, pastor of the Pahokee First Baptist Church, officiating.

The infant was born at the Everglades Memorial Hospital Friday, Nov. 3, and died a few hours following birth on Saturday. The parents are the only survivors. Burial was at the Port Mayaca Cemetery.

Commerce Body Will Employ Paid Sec'y Handle Mail

An executive board meeting of the Pahokee Chamber of Commerce was held at the Traveler's Restaurant Monday night, with President M. L. Keen presiding.

A committee composed of Gil Galbaldon, T. E. Baldwin and C. L. Shirley reported the Pahokee sign at Twenty-mile Bend, which the chamber planned to repair and repaint, has rotted beyond repair and will have to be completely replaced.

The group voted to limit the expense of printing leaflets advertising this area to \$175. John Sutterfield is in charge of this project.

It was voted to name a representative to work with chamber of commerce groups from Kissimmee to Belle Glade in planning for signs to direct traffic over the new extension of U. S. Highway 441 which runs through towns along the East Shore of Lake Okeechobee.

A resolution was passed asking the State to eliminate or properly bank all curves on the stretch of State Road 15 and US 441 between Pahokee and Belle Glade.

The group voted to employ a salaried secretary to handle all correspondence and Ralph Johnson was appointed to secure office space for use by the secretary and chamber officials.

PTA PROGRAM

The Pahokee Parent-Teachers Association will conduct its November meeting in the high school auditorium Monday, Nov. 13, at 8 p. m., with Mrs. J. C. Schoeppl, president, presiding. On the program a motion picture and lecture will be presented under the auspices of the Palm Beach County Health and Tuberculosis Association.

Dulany Will Talk District Meeting Of B&PW Clubs

The Everglades Business and Professional Woman's Club at a business meeting held at the home of the present, Mrs. Doris Sasser, Tuesday night announced plans for a B&PWC District 8 meeting to be held at the Elks Hall in Pahokee Sunday, Nov. 12, from 10:30 a. m. to 2 p. m., with a barbecue dinner to be served on the Elks grounds at noon.

Mrs. Eileen McKinney, District 8 director, will preside at the meeting. Guest speaker will be John A. Dulany, president of the Everglades Branch of the National League of Wholesale Fresh Fruit and Vegetable Distributors, who will give a talk on "Development of the Farming Industry in the Glades." Mrs. W. Harvey of Key West, State Federation second vice president, will speak on club federation work. Nine clubs will be represented at the district meeting. The Clewiston Club will be in charge of decorations; the Belle Glade Club, the program, and Mrs. Doris Sasser will be in charge of arrangements for the Pahokee Club.

At the meeting Tuesday night eight new members were received into the club. They were Mrs. Martha Patterson, Mrs. Antonette Vertommen, Mrs. Annie Merle Carter, Mrs. Phara Morris, Mrs. Mildred Lavender, Miss Nancy Segar, Mrs. A. E. Early and Mrs. Johnny Patterson. Mrs. Violet Hall reported the club netted \$36 for PTA from the booth it sponsored at the Halloween carnival.

Rev. Smyly Talks To Canal Point Lions

Try this on your stereoscope!

WHEN THIS "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

CHURCH OF CHRIST, SCIENTIST

"MORTALS AND IMMORTALS" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, November 12.

The Golden Text is: "As is the earthy, such are they also that are earthy: and as is the heavenly, such are they also that are heavenly" (I Cor. 15: 48).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For to be carnally minded is death; but to be spiritually minded is life and peace. . . . So then they that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you" (Rom. 8: 6, 8, 9 to 1st.).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy.

"Mortals are the counterfeit of immortals. . . . God is the Principle of man, and man is the idea of God. Hence man is not mortal nor material. . . . Learn this, O mortal, and earnestly seek the spiritual status of man, which is outside of all material selfhood" (476: 1 only, 9-11, 21-22).

Julia Johnson Has A Birthday Party

Mrs. E. C. Johnson entertained at the Woman's Club building Saturday afternoon with a party for her daughter, Julia, who was celebrating her fourth birthday anniversary.

The circus motif, complete with a tent, was used in decorations for the party and each of the guests was presented with a circus souvenir. Contest prizes were won by Joe Alderman and Brenda Alderman.

Mothers present, who assisted the hostess with the entertaining and with the serving of ice cream, cake and punch to approximately 40 guests, included Mrs. I. J. Frasure, Jr., Mrs. Jack Spencer, Mrs. Annie Lee, Mrs. Ernest Maxwell, Mrs. Olaf Boe, Mrs. Leon Burnett, Mrs. George Lance and Mrs. Robert Chamberlain.

Little Devils Win One & Lose One On Grid During Week

Tuesday night the Pahokee Blue Devil Juniors gave an excellent exhibition of how not to play football. The loss to the tune of 25 to 6 to the Belle Glade Juniors 'as been building up for sometime. There has been talk that the Belle Glade team has greatly improved. It was just a matter of the good team going haywire.

The Pahokee Juniors displayed their usual fighting spirit in exact reverse and showed eleven individual men on the playing field instead of the usual fighting team and as a result the stone wall line let through numerous tacklers. The back field not only failed to click but fumbled, dropped passes, tackled high and forgot Coach Keene's teaching in blocking and running.

Because this team has had a very good record with no losses this season it has been particularly hard for the boys to take this setback, however, it is sure to result in better teamwork, more spirit and better football in the long run.

Don't be discouraged boys, but take it as a hard lesson well learned.

As a preliminary for the beating given Lake Placid by the Pahokee footballers last Friday, the Pahokee Blue Devil Juniors went to Palm Beach and overwhelped the Palm Beachers with a score of 62 to 0. The contest was so one sided that the boys, in fun exchanged positions so that almost every member of the team played in almost every position sometime or another.

Touchdowns were as follows:

Hal Rosenberg	4
Thomas Elliott	1
Robert Goodson	1
Jimmy Hoyle	1
Roberts	1
Waddell	1

All but one extra point was made with Roy Spooner kicking three extra points and the rest being taken over in line plunges.

Appreciative Crowd Hears Trio Sing At Canal Point School

A highly appreciative crowd of folks from around Lake Okechobee gathered at the Canal Point school auditorium Tuesday night to hear the Upthegrove Trio in concert. Babs, Osceola and Shelly Upthegrove are the members of the singing group and Tuesday night they gave their first performance before homefolks, having presented several concerts in other localities.

Thursday night of this week the group sang in Okechobee and tonight (Friday) they are scheduled for Indiantown. The Canal Point appearance was sponsored by the Parents-Teacher Association. The singing group had a varied program, singing many sacred numbers. The program was interspersed with comedy skits which brought loud applause from the enthusiastic crowd in attendance. M. M. Martin, Jr., was at the piano during the evening and did a masterful job much to the delight of the audience. Following the closing number friends of the Trio gathered around to shake their hands and express delight over the splendid program.

Gloomy Gus Maynor Expects Stuart 11 To Upset Pahokee

The Pahokee Blue Devils will get back into the Suncoast Conference race again tonight when they meet the Stuart Tigers on Lair Field, the game scheduled to get underway at 8:15.

The Blue Devils, with a 4-2-1 record for the season and a 2-1-1 record in conference play to date hold third place in the Suncoast circuit and are favored over the Tigers who have suffered a succession of defeats after downing Pompano 18 to 13 in their opening game. Coach Jim Maynor, however, is taking a different view of the situation. He sees his Blue Devils over confident and the Tigers, eager for their first conference victory, capable of staging an upset. Pahokee and Stuart, the two lightest teams in the conference are evenly matched in wight.

Coach Maynor reports his men to be in fairly good condition for tonight's contest with the exception of End Bobby Peachock who hasn't fully recovered from injuries to both ankles. Starting at halfback position will be Al Meeks outstanding in the Lake Placid game for his ability to follow interference and find holes in the line. Quarterback Carney Wilder and End Ronnie May make up the Blue Devil's most potent aerial threat. Halfback Dale Hudson is expected to spark most of the Tiger drives.

Toy Pick-Up To Take Place On Saturday By The Lions Clubs

Saturday, Nov. 11, has been set as the toy pick-up day in Pahokee and Canal Point, according to Tom Baldwin and Boyd Vorhees, presidents of the Lions clubs in the two towns. The truck will make calls between 10 a. m. and noon and no toys will be picked up unless some one is at home to direct the pick-up.

If you have some discarded toys, make it a point to have them handy Saturday morning so that the truck and workmen can pick them up and make some youngsters happy at Christmastime.

Frozen Turkeys To Be Prizes At Canal Point Turkey Shoot

Frozen turkeys, ranging in size from 10 to 12 pounds, will be given as prizes at the annual turkey shoot to be held in Canal Point by the Lions Club. The turkey shoot will be held Tuesday and Wednesday afternoon and Thanksgiving morning, according to Albert Fremd of the Lions Club.

Plans call for the shoot to be held on the dike in Canal Point across from the post office. You can bring your own gun or a gun will be furnished at the shoot.

Moral! Take The Key When Parking Car

A 1949 Plymouth stolen from Julian Chandler while it was parked near his place of business in Pahokee early Saturday afternoon was recovered by Tampa police in that city Sunday morning and Frank Goodman of Pahokee is being held as a suspect, according to Leon Guthrie, Pahokee police chief.

Constable Francis Cross of Canal Point went to Tampa Monday to bring the car back but Goodman is being held in Tampa where he will go on trial on charges of a previous auto theft, Chief Guthrie said.

Bride's Shower For Mrs. Elmer B. Justice

The Pahokee Woman's Club was the scene on Thursday night of last week of a party and bride's shower in compliment to Mrs. Elmer Byron (Bill) Justice, who before her recent marriage was Annie Laurie Rogers. Hostesses were Mrs. Ernest Maxwell, Mrs. M. I. Keen, Mrs. Paul Riddle, Mrs. R. F. Hurt, Mrs. J. V. Thomas and Miss Joy Fields.

Gerberas and hibiscus were used by the hostesses in carrying out a decorative color motif of pink and green.

Vocal Solos were sung by Mrs. R. M. Sanders, Miss Joy Fields and Miss Anna Lee Hurt, accompanied at the piano by Mrs. William Mc Clementhan. Ann Rita Burns sang a solo, accompanied by Mrs. Arci Blakey. A duet was sung by Mrs. Robert Walker and Mrs. Sanders. Mrs. Ralph W. Todd played piano selections.

Miss Fields stood with Mrs. Justice in welcoming guests at the door. Mrs. R. F. Hurt presided at the punch bowl while Mrs. J. V. Thomas served portions of the bride's cake. The honoree was assisted with the opening and display of the many lovely gifts by Miss Fields and Miss Hurt. Approximately 60 guests attended.

Mr. and Mrs. L. G. Alderman had as guests the past week Mr. and Mrs. Louis Alderman, newlyweds from Sarasota. Before her

recent marriage Mrs. Louis Alderman was the former Lillie Irene Mitchell of Sarasota.

The Choice of Champions— DODGE "Job-Rated" TRUCKS

49 out of 86
champion truck drivers choose Dodge!

Champion drivers know champion trucks!

The nation's state champions . . . with proved reputations for safety records and driving skill . . . competed recently in New York at the National Truck Roadshow. Given the privilege of driving any make truck, these champions selected Dodge for national competition by more than 2 to 1 over all other makes combined!

In the events in which Dodge trucks participated, 6 out of 9 national winners drove Dodge "Job-Rated" trucks.

The champions selected Dodge for these tough tests because of "its extra visibility, its great maneuverability, good braking, and ease of handling." So, take a tip from the men who know: drive a Dodge "Job-Rated" Truck!
